DATED : 23RD JANUARY, 2007

P.C.

. In the reply filed to the petition by the petitioner seeking compassionate appointment it is pointed out that respondents since 2000 have stopped recruitment and in the year 2001 a Voluntary Retirement Scheme was declared which was availed of by 103 employees. It is also pointed out that prior to the death of the husband of the petitioner there were other employees also who had died and their heirs have applied for compassionate appointment and their cases were also not considered. Considering the above it will not be possible for us at this stage to interfere in the exercise of extra ordinary jurisdiction. Hence petition disposed of. In the circumstances of the case there shall be no order as to costs.
